Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the “Norristown Family Residence Restoration in Norristown, PA.” in fiscal year 2024. The entity to receive funding for this project is The Salvation Army in Eastern Pennsylvania and Delaware, located at 701 N Broad Street, Philadelphia, PA 19123. The funding would be used for critical, overdue renovations to the Norristown Family Residence, which serves as a shelter for those facing housing insecurity. The project is an appropriate use of taxpayer funds because it will benefit the hundreds of individuals and families in Montgomery County who annually face homelessness and housing insecurity, those who face food insecurity, and children most in need from low-income and at-risk households.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely

Member of Congress

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for "Increasing Flood Resilience in Eastwick, Philadelphia" in fiscal year 2024. The entity to receive funding for this project is the City of Philadelphia, located at 1515 Arch Street, 13th Floor, Philadelphia, PA 19102. The funding would be used to implement a flood barrier near the confluence of the Cobbs and Darby Creeks to reduce riverine flood risk at the most flood-prone portion of Eastwick. The project is an appropriate use of taxpayer funds because mitigating flood risk will save taxpayer dollars that would otherwise be spent on response and recovery from a flood event, including payouts from the National Flood Insurance Program, of which there are many policy holders in Eastwick. On average, every \$1 spent on mitigation will save up to \$6 in future response and recovery efforts, according to the National Institute of Building Sciences.

The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the "Replacement of Sanitary Sewer Collection System in East Lansdowne Borough, PA" in fiscal year 2024. The entity to receive funding for this project is East Lansdowne Borough, located at 155 Lexington Avenue, East Lansdowne, PA 19050. The funding would be used to replace 1800LF of sanitary sewer main and 40 street laterals on Baltimore Ave to remediate frequent backups due to sags and broken and missing pipe sections. The project is an appropriate use of taxpayer funds because the line backs up routinely, putting buildings and roadways at risk of sewer overflow. Further, the Borough collects sewer fees from taxpayers for the purpose of maintaining the sewer system; therefore, it is entirely appropriate and correct for public monies to be used for the maintenance/repair of the sewer collection system.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for "Sanitary Sewer Improvements in Darby, PA" in fiscal year 2024. The entity to receive funding for this project is Darby Borough, located at 1020 Ridge Avenue, Darby, PA 19023. The funding would be used to replace approximately 650LF of sanitary sewer main, 57 street laterals, and 7 manholes on Fern St. between 4th St and Damon's Lane. The project is an appropriate use of taxpayer funds because failure to maintain the sewer system would result in backups into homes, leading to health risks and overflows into the street and waterways of the Commonwealth. Further, taxpayer money is the appropriate means for paying for sanitary sewer repairs and replacements for a publicly-owned infrastructure system.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for “Building Enhancements for Christ Lutheran Community Church in Upper Darby, PA.” in fiscal year 2024. The entity to receive funding for this project is Christ Lutheran Community Church, located at 7240 Walnut Street, Upper Darby, PA 19082. The funding would be used to bring Christ Lutheran’s building up to required standards for child-care licensure so that they may provide out-of-school programming for K-12 students in Upper Darby, PA. The project is an appropriate use of taxpayer funds because it will meet a significant community need for families in the area and invest in the educational success of Upper Darby children. This will encourage economic growth by ensuring an educated future workforce and supporting working parents.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(3) and 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Mirmont Treatment Center in fiscal year 2024. The entity to receive funding for this project is the Mirmont Treatment Center., located at 100 Yearsley Mill Road, Media, PA 19063.

The funding would be used for a Certified Recovery Specialist mobile team to work with emergency personnel in Delaware County to connect individuals to resources and to eliminate barriers to care for substance use or mental health treatments.

The project is an appropriate use of taxpayer funds because the specialist team will conduct screenings and assessments that will reduce barriers to accessing care and ensure community members stay connected to services to help provide more successful outcomes.

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

I am requesting funding for the Upper Chichester Library and Community Resource Center in fiscal year 2024. The entity to receive funding for this project is the Upper Chichester Library, located at 3374 Chichester Avenue Suite #19, Upper Chichester, PA 19061.

The funding would be used to build the new Upper Chichester Library and Community Resource Center, which will be a central gathering place and hub of learning for the local community. The project is an appropriate use of taxpayer funds because it will create jobs to support its expanded hours and services and boost the local economy by attracting additional visitors to the area.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the City of Philadelphia's Group Violence Intervention Program Expansion project in fiscal year 2024. The entity to receive funding for this project is the City of Philadelphia – Office of Violence Prevention, 1401 John F. Kennedy Boulevard, Suite 1430, Philadelphia, PA 19102. The funding would be used to increase the capacity of the City of Philadelphia's Group Violence Intervention (GVI) strategy.

The project is an appropriate use of taxpayer funds because it would allow Philadelphia to hire additional staff and leverage its existing Social Service Unit Structure to assign those staff geographically throughout the city, with a focus on areas most impacted by gun violence. In doing so, the project would combat violent crime, promote positive collaboration between the community and law enforcement, and connect GVI program participants with job placement and training resources so they can access family-sustaining jobs and opportunities to enter into skilled trades.

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Reducing Law Enforcement Vicarious Trauma through a Pilot Training and Prevention Program project in fiscal year 2024. The entity to receive funding for this project is Family Support Line of Delaware County Inc., located at 100 W 6<sup>th</sup> Street, Suite 1, Media, PA 19063. The funding would be used to pilot a training and prevention program to reduce instances of child sexual abuse and address the vicarious trauma experienced by law enforcement officers (LEOs), social workers, therapists, and case managers who work with sexually abused children.

The project is an appropriate use of taxpayer funds because it would promote best practices and training for LEOs, social workers, therapists, and case managers that interact with sexually abused children, while also implementing preventative measures to reduce the number of child sexual abuse victims throughout Delaware County, PA.

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Improving Police Accountability in Eddystone Borough project in fiscal year 2024. The entity to receive funding for this project is Eddystone Police Department, located at 1300 East 12<sup>th</sup> Street, Eddystone, PA 19022. The funding would be used by the Eddystone Police Department to develop a body-worn camera program and upgrade its record management system.

The project is an appropriate use of taxpayer funds because it would help the Eddystone Police Department better serve its community. The project would allow the Eddystone Police Department to invest in body-worn cameras for its officers and improve its record management system, both of which would further its goal of providing effective, fair, and professional law enforcement services to Eddystone Borough.

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Grace Manor Housing Development in fiscal year 2024. The entity to receive funding for this project is the Chester Economic Development Authority, located at 1 Fourth Street, Chester, PA 19013.

The funding would be used to develop 10 for-sale housing units in Chester, PA as part of a larger revitalization effort to address neighborhood conditions and make connections to the Chester Waterfront.

The project is an appropriate use of taxpayer funds because the housing units would directly benefit the low- and moderate-income households purchasing the homes as well as benefit the community more broadly as a result of increased tax revenue for the City of Chester.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mary Gay Scanlon
